**PERSIGN Action Required Codes**

The following 'Action Required Codes' will selectively be moved into or deleted from PERSIGN's employee records (data item PERACTREQ) based on Staffing actions that affect employees. (Reference Staffing Conditions C29-114 and C29-140 thru C29-169)

Each code indicates a discrepancy that currently exists in the employees record that should be corrected by the employee's personnel officer.

<u>Code</u>	<u>Definition</u>
80	Reassignment required -- position deleted
81	Reassignment required -- position moved; different Hqs and/or Office
82	Reassignment required -- position grade changed. Position grade more than 2 grades higher than employee grade
83	
84	
85	Reassignment required -- level 2 organization deleted
86	Reassignment required -- level 3 organization deleted
87	Reassignment required -- level 4 organization deleted
88	Reassignment required -- contract organization deleted
89	
90	PRA & NTE required -- position schedule and/or grade changed or position reinstated
